

WNSW LHD Falls Forum 2019 -

Proactively Preventing Harm from Falls

SAVE THE DATE: *Tuesday 3rd September 2019*

Venue: Savannah Room, Taronga Western Plains Zoo, Obley Rd Dubbo

This forum will inspire & motivate care staff to provide high quality evidenced based care with the view to reduce and prevent harm from falls. There will be discussion on the latest research and improvement science approach to falls prevention and management including Comprehensive care (Standard 5) with a focus on strategies to reduce risk & harm from falls and falls preventative measures such as strength and balance exercise: and a focus on community programs.

Who should attend: Clinicians, Managers, Private Providers of Health Care, and Community Exercise Program Providers
